

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with over 9000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from 294 national and regional sectoral industry bodies.

For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

As India marches towards its 75th year of Independence in 2022, CII, with the Theme for 2021-22 as Building India for a New World: Competitiveness, Growth, Sustainability, Technology, rededicates itself to meeting the aspirations of citizens for a morally, economically and technologically advanced country in partnership with the Government, Industry and all stakeholders.

With 62 offices, including 10 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with 394 counterpart organizations in 133 countries, CII serves as a reference point for Indian industry and the international business community.

17<sup>th</sup> - 21<sup>st</sup> May 2022

Bangalore International Exhibition Centre  
(BIEC) Bengaluru, India

Largest Construction Equipment Event in South Asia

# Building India for a New World

Sustainability | Growth | Competitiveness | Technology

# SHOW PREVIEW

## Event Highlights

- 40000+ Business Visitors
- Artificial Intelligence Pavilion
- Finance Pavilion
- Alternative Fuels Pavilion
- Women in Infrastructure
- International Participation from Germany, Italy, South Korea, Sri Lanka, Turkey, UAE, UK, USA
- UFI Approved International Event

# Building India for a New World

Sustainability | Growth | Competitiveness | Technology

Sector Partner

Constituted in 1949 as Tractor & Allied Equipment manufacturers and Importers Association Ltd., the association started with 10 Indian member companies, primarily manufacturers and importers of tractors, earthmoving and allied equipment. It was rechristened as Indian Earthmoving & Construction Industry Association Ltd. (IECIAL) in 1986 with the objective to make the body a national point of reference for the Indian earthmoving & construction equipment industry. The association was renamed as Indian Construction Equipment Manufacturers Association (ICEMA) in 2012 with the objective to make the association a truly representative body of the Indian construction equipment industry and to expand its scope of services.

ICEMA is affiliated to the Confederation of Indian Industry (CII) and presently represents 70 leading companies who manufacture, trade and finance a variety of products such as hydraulic excavators, wheel loaders, backhoe loaders, motor graders, vibratory compactors, cranes, dumpers, tippers, forklifts trucks, dozers, pavers, batching plants, diesel engines, etc.

## CALENDAR OF EVENTS

### PROGRAMME TITLE

17th May 2022

Excon - Inaugural Session

CEO's Session

18th May 2022

Aatma Nirbhar Bharat Session

1000 hrs - 1300 hrs

ICEMA Main Conference

1100 hrs - 1330 hrs

2nd Edition of Infrastructure Requirements for  
Armed Forces: Emerging Opportunities &  
Smart Technology

1030 hrs - 1300 hrs

19th May 2022

ICEMA Conference Session

1400 hrs - 1600 hrs

20th May 2022

Session on Green Buildings by IGBC

1430 hrs - 1700 hrs

## HELICOPTER – JOY RIDE

### Airport Transfers by Charter

#### Charter Service (Helicopter)

**One-way - 5 seater**

(Bangalore International Airport – BIEC) - Rs. 1,10,000/- + GST 18%  
for 5 Passenger

**Onward/return - 5 seater**

(Bangalore International Airport – BIEC) - Rs. 1,75,000/- + GST 18%  
for 5 Passenger

**One-way**

Jakkur - BIEC - Rs. 70,000/- + GST 18%

**Onward / return**

Jakkur - BIEC – Jakkur- Rs. 1,00,000/- + GST 18%

- ATM
- Beer Garden
- Business Centre
- Cab Hire
- Café
- Car Park
- Cloak Room
- Courier Service
- Emergency Help Desk
- Florist
- Food Trucks
- Free Internet (Wi-fi)
- Gift Shop
- Internet Kiosks
- Medical facilities
- Meeting Points / Lounge
- Mobile App Download Centre
- Multiple Restaurants
- Relax Lounge
- Security Control Room / QRT
- Shuttle Services from Parking Lots & Pre designated Routes
- Wash Rooms
- Water, Soft Drinks & Beverage outlets
- Wheel chairs
- Lost and Found Counter
- Mobile Charging Stations

and many more

## ON DISPLAY AT EXCON

- Earth moving equipment - backhoe loaders, excavators, front end loaders, graders and dozers. Vibratory soil compactors for earthwork, vibratory tandem rollers and pneumatic tire rollers for asphalt work in road construction.
- Paving equipment for rigid and flexible pavements, track laying, road maintenance pavement and grouting work. Integrated concrete and bitumen batching and mixing equipment.
- Mobile and stationary crushing equipment package comprising of different stage crushing, screening and grinding for producing aggregates and sand.
- Material handling equipment like cranes, forklifts, hoists, and rough terrain transport system for the production and conveyance of RMC, bitumen and earth at the job site.
- Hydraulic and pneumatic drilling equipment. Slope stabilisation drills with accessories like dhds, drifters, concrete pumps, retracting tools, rock breakers for demolition and secondary breaking. Sewer construction and maintenance systems, conduit construction systems.
- Plant and machinery for tunnel and gallery construction. Trenchers, underground cable laying, pipe laying, drainage and trench digging equipment.
- Prime movers like engines, and hydraulic power transmission products.
- Components, spare parts and accessories like pneumatic valves and hydraulic pumps and motors, pneumatic, hydraulic, electrical tools required for maintenance to support high value construction equipment for optimum performance.
- Fluid engineering and sub-assemblies for construction industry.
- Financing, insurance and engineering services.
- Site installations.
- Safety devices.
- Quality control equipment, systems, standards, testing methods, measuring & control instruments and surveying equipment.
- IT for construction for integrated project management and accounting.
- Railway track laying machines.

## ON DISPLAY AT EXCON

- Automatic control systems.
- Other ancillaries / attachments like additives, tyres, fuels and lubricants, geo textiles, sealing products, environment / recycling equipment and technologies, road furnishing equipment, waste collection equipment, associations, technical publications, government agencies, state and local authorities, research & development organisations, training institutes, plant and machinery for tunnel & gallery construction and many more.

## VISITOR PROFILE

- Contractors
- Government Officials
- Public sector companies
- Leasing & Finance Companies
- Machinery & Equipment Dealers
- Construction Companies
- Equipment Rental Companies
- Project Developers
- Urban Infrastructure Developers
- International Visitors
- Investors in Construction
- Equipments & Components
- Buyers of Construction Equipments & Technologies,  
Sourcing of Components & Aggregates  
(Using India as a Equipments & Components Sourcing Base).

## ONLINE REGISTRATION PROCESS

(Avoid waiting in queues at the registration point)

- Step 1 : Log on to [www.excon.in](http://www.excon.in) and click on visitor registration icon.
- Step 2 : Please fill in the registration details as requested.
- Step 3 : Click submit.
- Step 4 : The digital version of the badge will be sent to the registered email ID
- Step 5 : A unique registration number will also be sent to the registered mobile number and the email id.

### Onsite Registration Process

- Step 1 : Follow the pre registered visitor counter at dedicated registration centres.
- Step 2 : Collect pouch and lanyard for the printed badges you are carrying.  
Please display your unique registration number in case you are not carrying the printed badge.
- Step 3 : Present the badge for scanning to the registration staff at various access points.
- Step 4 : The badge is valid for all days of the exhibitions, hence please keep it safe.

## Mobile App Registration

(Will be available from 15 April 2022)

- Step 1: Scan the QR Code and download Excon App from Play store and Apple Store
- Step 2: Please fill in the visitor registration details as requested.
- Step 3: Click submit
- Step 4: The digital version of the badge will also be sent to the registered email ID
- Step 5: A unique registration number will also be sent to the registered mobile number and the email id
